

Kozane® Extreme – Orange

Art. 500.3600

Engineered for visibility and defense. This fabric combines high-visibility orange polyamide on the outside and durable black HPPE yarns on the inside—delivering exceptional resistance to cuts, punctures, abrasions, and tears while ensuring workers remain visible and protected in the toughest, high-risk environments.

EN 388: 2016	Level	Ratings
Abrasion resistance	3	>2,775 cycles
Tear resistance	4	150N
Puncture resistance	4	284N
Cut resistance	F	31.2N

ANSI ASTM F2992-15 **A7**

Weight/surface density **535 g/m2**

Roll width **1.87m**

Roll length **20m**

Colour **Orange**

Safety and care instructions

Potential Applications:

- ✓ Cut-resistant Workwear
- ✓ Cut-resistant Sleeves, and Arm Protectors

Recommended Sectors:

- ✓ Glass and Metal fabrication
