

Kozane[®] Ultima

Art. 500.5100

Kozane[®] Ultima achieves the highest level of cut resistance as per the American standard ANSI ASTM F2992-15, ANSI A9. Offering exceptional resistance to cuts, punctures, and tears, Kozane[®] Ultima remains soft and breathable, making it an ideal choice for manufacturing cut-resistant products across a wide range of industries.

EN 388: 2016	Level	Ratings
Abrasion resistance	2	500 cycles
Tear resistance	4	174N
Puncture resistance	4	156N
Cut resistance	F	56N

ANSI ASTM F2992-15	A9	6,485g
--------------------	----	--------

Weight/surface density	250 g/m ² (7.37 oz)
------------------------	--------------------------------

Roll width	1,94m (76")
------------	-------------

Roll length	20m (up to 112m available)
-------------	----------------------------

Colour	Black or White
--------	----------------

Safety and care instructions

Patent WO 2018/097739 A1

Potential applications:

- ✓ Cut and slash-resistant apparel
- ✓ PPE gloves
- ✓ Protective gear for ice hockey players
- ✓ Anti-theft bags, luggage and upholstery

Recommended Sectors:

- ✓ Glass and Metal fabrication
- ✓ Automotive Industry
- ✓ Security
- ✓ Sports and Leisure
- ✓ Mining
- ✓ Recycling
- ✓ Paper and Pulp
