

Kozane® Primo

Art. 500.3201

An ideal balance of protection, comfort, and value. This lightweight knitted fabric delivers excellent cut resistance, offers high levels of EN 388 tear and puncture performance, and provides a solid level of abrasion resistance. Highly breathable with a soft inner layer for lasting comfort, it is the practical choice for cost-effective production of protective gloves and apparel.

EN 388: 2016	Level	Ratings
Abrasion resistance	2	800 cycles
Tear resistance	4	152N
Puncture resistance	3	123N
Cut resistance	D	18.1N

ANSI ASTM F2992-15 **A4** -
 **Indicative ANSI cut level

The mechanical performance figures shown are based on in-house laboratory testing. Official cut-resistance results from accredited laboratories under EN 388/ISO 13997 and ANSI/ISEA 105/ASTM F2992 are pending.

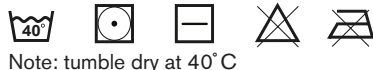

Weight/surface density **220 g/m2**

Roll width **1.84 m**

Roll length **20 m**

Colour **Black**

Safety and care instructions

Potential Applications:

- ✓ Cut-resistant glove linings
- ✓ General-purpose cut-resistant gloves
- ✓ Cut-resistant shirts and base layers
- ✓ Protective inserts and panels in workwear
- ✓ Textile & garment manufacturing

Recommended Sectors:

- ✓ Protective Workwear & PPE
- ✓ Automotive Manufacturing & Assembly
- ✓ Logistics & Material Handling
- ✓ Construction & Maintenance Services

**In-house test results.
