

Kozane® Ultima Lite

Art. 500.1002

Kozane® Ultima Lite combines reliable protection with exceptional lightness and comfort. It offers the highest level of cut resistance while also providing strong protection against tears, punctures, and abrasion. With a soft bottom layer and breathable construction, it is ideal for linings in protective gloves and apparel where cut protection is essential without compromising flexibility.

EN 388: 2016	Level	Ratings
Abrasion resistance	1	213 cycles
Tear resistance	4	105N
Puncture resistance	2	75N
Cut resistance	F	31N

ANSI ASTM F2992-15 **A6**

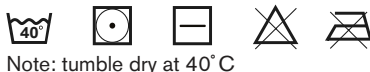

Weight/surface density **174 g/m2**

Roll width **1.91m**

Roll length **20m**

Colour **Black**

Safety and care instructions
